This is the nineteenth year that the Falcons have played their football games in Doyt L. Perry Stadium. Built in 1966 for approximately \$2.8 million, it now has a seating capacity of 30,300 with the addition of the end zone seats in 1982.

The field is named in honor of the man who coached the Falcons to a 77-10-5 record from 1955-64. Perry remained as Bowling Green's athletic director for six years after stepping down as football coach. Now retired, Perry is still a nine month resident of Bowling Green, and is one of the Falcons' staunchest boosters.

The east side of the stadium includes dressing rooms, the equipment and training rooms, and most of the athletic department offices. On the west side are the maintenance area, storage rooms, handball courts, the track offices, the Falcon Club office and the Falcon Clubhouse. Sitting atop the press box on the west side is the Stadium Club. Now in its fifth year of operation, the Stadium Club has 106 theatre-type seats, and is one of the finest facilities of its kind in the midwest.

Ticket Information

General admission ticket prices for the 1984 Bowling Green football season will remain the same as last year. Reserved chair seats for single games remain \$7.00, individual reserved bench seats on the east side of the stadium are \$6.00, and BGSU student general admission seats are \$2.00. Any group of 15 or more people may purchase group reserved bench seats in advance of game day on the east side of the stadium for \$3.50 each. Also, a group of 15 or more BGSU students may purchase group reserved bench seats in advance of game day on the east side for \$2.00. In addition to the chair seats and BGSU student general admission seats there are two additional general admission price ranges on the west side. Adult general admission is \$3.50 and youth (high school age and younger) general admission is \$2.50. A general admission ticket for the 5,000-plus end zone seats in both the north and south end zones costs \$2.50.

The Memorial Hall Ticket Office is open from 9 a.m. until 11 a.m. each game day for ticket purchases. The Ice Arena Ticket Office is open from noon until 4 p.m. each day, Monday through Friday. Also, advance sale tickets for all remaining home games are on sale in the advance sale ticket booth on both the east and west sides of the stadium.

Serving as ticket outlets for BGSU tickets this year are The Falcon House in downtown Bowling Green, Bill's Men's and Boy's wear in Fostoria, and both Huntington Banks branches in Perrysburg.

Coaches

Denny Stolz is in his eighth season at Bowling Green. The dean of Mid-American Conference coaches, Stolz has posted a career record of 92-71-2 in 16 years at Alma, Michigan State and Bowling Green. In seven plus seasons at BGSU, Stolz is 39-42-1. Stolz has a MAC record of 34-24-1. His winning percentage of .562 places him in the elite Top 20 among active head coaches.

Jim Harkema is in his second year at Eastern Michigan and has a record of 1-13. In 11 years as a head coach in the college ranks, he has a record of 69-41-1.

Series

The Falcons lead the series with Eastern Michigan by a count of 11-7-1. Bowling Green has won the last three meetings with the Hurons. Stolz is 5-2 in contests with EMU. At Doyt Perry Field, the Falcons are 4-1 vs. Eastern.

Last Meeting

The Falcons had to withstand a last minute rally to subdue Eastern Michigan last year by a 26-21 score. EMU quarterback **Steve Coulter** threw a last minute touchdown pass to put EMU in the lead but the TD was nullified by a penalty. **Brian McClure** had his finest outing to date as he completed 37 of 51 passes for 427 yards, all BGSU and MAC records for passing. McClure threw a five-yard scoring pass to tight end **Mark Dowdell** and a 19-yarder to flanker **Greg Meehan**. McClure added a score on a one-yard plunge and **Gehad Youssef** connected on a 25-yard field goal to account for BG's scoring.

Scouting EMU

The Hurons lost a last second game to Ohio University Saturday night by a 16-13 score. Ohio's Chris Judge kicked a 32-yard field goal with :08 seconds left in the contest to give OU the win. Saturday's contest was a repeat of EMU's season-fine defense and not much offense. The Hurons are 0-3 having lost to Youngstown State, 31-7, and Marshall, 24-17 before the setback by Ohio. **Derron Vernon** is EMU's leading rusher with 190 yards on 43 yards. He is followed by fullback **Jerry Gaydash** who has 188 yards on 36 carries. Quarterback **Robert Gordon** has completed 21 of 58 passes for 168 yards and a completion percentage of 36.2%. Tight end **Steve Nofs** is the Hurons' leading receiver with seven receptions for 52 yards. Punter **Bob Hirschmann** is among the MAC's leading punters with a 41.3 average. Placekicker **Mario Ferretti** is the leading scorer for Eastern with 12 points on three PAT's and three of three field goal attempts.

Last Week

The Falcons celebrated a victory in Oxford over Miami for the first time in 14 seasons. The Falcons trailed Miami 3-2 after the first quarter but used an 18-0 second quarter advantage to roll to a 41-10 victory. Quarterback **Brian McClure** completed 27 of 40 passes for 302 yards and two touchdowns. McClure added a touchdown on a

one-yard run. **Bernard White** rushed for 127 yards and two touchdowns while **Gehad Youssef** added a 21-yard field goal. The Falcon defense turned in another fine performance, limiting Miami to just 193 yards of total offense. **Dean Bryson** intercepted two passes, the first two of his Falcon career.

Players To Watch

QB Brian McClure: McClure is well on his way to establishing new standards of quarterbacking in the Mid-American Conference. McClure last week broke Mark Miller's record for completions in a career and McClure enters today's contest with 473 completions, an average of over 20 per every game he has played. Only one record reasonably stands within Brian's reach today, that of touchdown passes in a career. Brian enters the game with 31 career TD tosses and Miller holds the record of 33 in a career. Brian had his finest game as a Falcon against Eastern Michigan last year.

TB Bernard White: White has given the Falcons the balanced offensive attack that Denny Stolz was looking for. Averaging just under 100 yards rushing per game, White is the leading scorer in the MAC and second in the nation with seven touchdowns. Look for White to see plenty of action this afternoon.

WR's Joe Boxley and Stan Hunter: Boxley and Hunter had outstanding days against Miami, combining for 15 catches for 199 yards. Look for them to again be in the spotlight this afternoon as they test the Huron secondary.

LB's Chris Hartman and Troy Dawson: You've got to be mean and quick to play linebacker and Hartman and Dawson are both. Hartman led the MAC in tackles last week and added 19 against Miami. Dawson leads the Falcons in interceptions with three and is second to Hartman in tackles. They have led the Falcons in two outstanding defensive efforts the last two weeks.

DB Dean Bryson: Playing in front of his hometown friends, Bryson made the most of last week's game with Miami by intercepting two passes, the first two of his BG career. Bryson will be called on again this afternoon for another good outing in shutting down Eastern's passing game.

Eastern Michigan

Punter Bob Hirschmann: Hirschmann is one of the top punters in the MAC this year and enters today's game with a healthy 41.3 punting average. The Falcons will need to apply pressure to this fine kicker.

Kickoff Returner Gary Patton: Patton is among the leaders in the MAC in kickoff returns, averaging over 20 yards per kick. Bowling Green will need to contain Patton to prevent the Hurons from gaining good field position.

Head Coach Denny Stolz

Denny Stolz, the dean of Mid-American Conference football coaches, enters his eighth season at Bowling Green as one of the winningest coaches in America. With an overall record of 90-70-2 and a winning percentage of .562 for 16 years of coaching college football, Stolz is now a member of the select Top Twenty Football Coaches in the nation.

Stolz, with previous head coaching spots at Alma College and Michigan State, has won Coach of the Year honors at all three institutions including being named MAC Coach of the Year following the 1982 MAC Championship season.

"It's thrilling to be associated with the best 20 coaches (in the nation)," said Stolz before the start of the season. "It's an example of a lot of hard work over the last 16 years and a real commitment to the game of football."

"It's also a reflection on the fine assistant coaches and players I've worked with. You don't win games any other way. I've been fortunate to surround myself with fine coaches and players."

Stolz rejuvenated the football programs at Alma and Michigan State before coming to Bowling Green in 1977. His teams were undefeated in back-to-back seasons at Alma in 1967 and 1968. The 7-3-1 record his 1974 Michigan State team compiled was the best in seven years in East Lansing, and earned Stolz Big Ten Coach of the Year honors.

Stolz again breathed new life into the BGSU football program, leading the Falcons into contention for the MAC title in 1980. In 1981, the Falcons won five straight games, finishing with a fourth place finish in the MAC. In 1982, the Falcons were on top of the conference with a 7-2 conference mark and an appearance in the California Bowl.

Through his first seven seasons at Bowling

Green, Stolz has led the Falcons to a 37-41-1 record and BG's MAC record of 14-4 over the last two seasons is the finest in the conference.

Stolz is a native of Lansing, MI and grew up in Mason, MI. Stolz and his three brothers all attended Alma College and Denny earned a bachelor's degree in 1955. He played quarterback for the Scots, and upon graduation became the head football coach at Haslett (MI) High School, where he was 40-13-3 in nine years for a winning percentage of .741. Stolz then spent one year as defensive coordinator at Lansing Eastern High School before being named head coach at Alma prior to the 1965 season. His next stop was Michigan State where Stolz served for two years as defensive coordinator for Duffy Daugherty before being named the Spartans' head coach in 1973. Stolz led the Spartans into the top 20 teams in the nation, finishing twelfth in the Associated Press poll in 1975.

Born September 12, 1934, Denny and his wife, Cena, have a son, Doak, 24, and two daughters, Dawn, 23 and Denise, 17.

BGSU IN THE NEWS

Compiled by the BGSU Public Relations Office

The news about the achievements of Bowling Green State University's students and faculty travels across the nation in newspapers, magazines, radio and television. Here are just a few of the current BGSU headlines.

Physical Sciences Laboratory

State of the art. That phrase is used repeatedly in describing the newly opened, \$7.2 million Physical Sciences Laboratory Building.

Dedicated this past spring and used for the first time this summer, the five story building is being used by the departments of chemistry and physics and astronomy, and offers the departments teaching and research facilities unequalled in the state.

In addition to well-equipped teaching laboratories, the chemistry department can boast of 18 research facilities and nine instrument rooms which house the finest equipment available, including a \$200,000 mass spectrometer which is used by both faculty and student researchers.

But it is the physics and astronomy facilities which will have the most interest for the general public. These facilities include a roof top observatory which will be used for public stargazing and a 188-seat planetarium which will present public shows throughout the year. The first show, "All Systems Go!", a review of the history of NASA will premiere this fall.

BGSU's \$7.2 million Physical Sciences Laboratory Building.

Network BG

A businessman thinks he has a good idea for a new product but he isn't sure if the buying public will agree. Another's business is growing so quickly that he is losing control. A third businessman is suffering cash flow problems, but isn't sure how to correct the problem.

In the past, the businessmen would have to struggle through as best they could, but now—thanks to a new program at the University—help is only a telephone call away.

Entitled "Network BG" and in its first full year of operation, the program is designed to match businessmen who have needs with faculty and staff who have expertise in that area.

The center maintains a computerized inventory of the capabilities of faculty and staff so they can be quickly matched with the specific needs of various organizations, businesses and industries.

Included in the type of assistance being offered are consulting, literature searchers, workshops and conferences, referrals, and applied research.

Most of the services are offered on a fee basis, with the majority of the fee going to the faculty or staff person providing the service.

Are you in business and do you have a problem? Help is only as far away as (419) 372-2484.

Program Excellence

The Ohio state legislature knows a good thing when it sees it. And the departments of psychology and chemistry are two good things.

The two departments were the recipients of more than a quarter of a million dollars in Program Excellence Awards, which are funded by the legislature and designed to recognize and reward high quality academic programs at state-assisted educational institutions.

The chemistry department received \$169,000 which will be used to enhance undergraduate research programs and the instructional programs in biochemistry.

The department of psychology was granted \$112,000 to purchase micro-computer stations and various video cassette recorders for use in both instruction and research.

Bowling Green State University

Through its five undergraduate colleges, Bowling Green State University offers more than 150 degree programs in the traditional arts and sciences, as well as business, education, music and the growing field of health and community services. In addition, the Graduate College has 50 master's degrees and nine doctoral degree programs.

About 15,000 students are enrolled at Bowling Green. More than half of the undergraduates live in campus residence halls and most of the remainder within a couple of miles of the University.

For this closely-knit community of students, the University encourages and supports a large number of extra-curricular activities — including academic, cultural and social programs. On any given day, these events may include a concert, lecture, panel discussion, theatre or dance performance, film, mixer or other social get-together. The University also has a strong fraternity and sorority system and the campus is home to more than 200 clubs and organizations. Sports are also a major part of Bowling Green, and the University offers an extensive varsity and club program for both men and women.

Another dimension of this residential University is its recreational facilities. At the hub is the Student Recreation Center, which houses basketball, volleyball, racquetball and tennis courts, two swimming pools, weight rooms, a running track, a golf and archery range and numerous all-purpose activity areas.

At Bowling Green, students learn as much outside the classroom as they do in it. It is a concept to which the University is committed, making certain that learn-

ing is a non-stop activity and that at the end of four years, the University graduates an intelligent, mature and well-rounded individual.

This out-of-class learning is enhanced by the diverse backgrounds, ideas and beliefs of our students. Bowling Green students come from nearly all of Ohio's 88 counties, all 50 states and more than 60 foreign countries. This mix of students helps to create an exciting atmosphere for intellectual and cultural exchange.

This exchange is encouraged and directed by more than 700 full-time faculty members. These men and women are experts in their fields of study, and many are on the cutting edge of scientific research and discovery. During the past several years, faculty members have annually received approximately \$4 million from outside agencies and foundations to conduct research.

At the center of this intellectual activity is the University's nine story Jerome Library, housing a collection of more than 700,000 books, 1.2 million pieces of microfilm, and 4,700 subscriptions to magazines, journals and other periodicals. The library is also home to 175,000 sound recordings, 375,000 government documents and a Popular Culture Library which supports the studies of the University's nationally known Popular Culture Program.

The newest addition to the University is the Physical Sciences Laboratory Building. Completed in January of 1984, the building provides increased area for chemistry research and instruction.

Backing Athletics

The BGSU Athletic Endowment Fund

Three years ago, the idea of a fully-endowed athletic scholarship program was no more than idle talk between administrators at Bowling Green State University.

Today, this idea is taking shape thanks to the foresight and generosity of a number of supporters of the Falcon athletic program.

The story of the athletic endowment at Bowling Green is one of unparalleled growth and success. It is the commitment to excellence which distinguishes Bowling Green from other programs around the nation. Not at all different from the reputation of Falcon athletic teams over the last couple years.

There is one difference though: public awareness. Whereas nearly every Bowling Green supporter has heard of triumphs like last week's 41-10 mashing of Miami, or the 1984 national ice hockey championship, or even the eight conference titles won by Falcon teams since 1982, there are probably very few fans who know of Bowling Green's booming athletic endowment program.

Why so few fans? Maybe the large, impersonal rendering of the word "endowment" has something to do with it. The word simply evokes images of dark, panelled offices or well-appointed wings of administrative buildings.

Bowling Green Athletic Director Jack Gregory is aware of these misconceptions. But he feels that once people learn just how easy it is to contribute to the department's endowment fund, they will want to take a more active role in this fast-growing venture.

"Just four years ago, there wasn't much thought of this, of developing our athletic endowment program," said Gregory, BG's athletic director since 1982. "But the endowment program—in a quiet way—has been growing. We're still very young at this, having been at it for just about two years. However, I think we're far ahead of the Mid-American Conference and many other universities across the country."

There are currently five athletic endowments, which have or will soon reach fully-endowed status. An endowment is a fund held by the BGSU

Foundation, Inc., established with a minimum of \$5,000. The interest generated by the \$5,000 is used to furnish a scholarship or to support a program or project. The \$5,000 principal is held in perpetuity and never used.

Those athletic contributions which are fully-endowed at Bowling Green are the Lanny Miles Memorial (given by Larry Miles) for basketball, the Earl Rupright basketball endowment, and the Lewis F. Manhart Memorial (given by Perry Lanning) for golf.

The Charles E. Perry Society, which has its own athletic endowment through an annual major fund-raising event, was created in 1983 to act as a kind of umbrella for all athletic scholarship fund-raising through private contributions.

Several other contributions, like the one given by Bill Lloyd for hockey and a general athletic endowment through Falcon Club donations, are approaching fully-endowed status.

The most recent contribution comes from Toledo businessman James G. Ayres of Great Lakes Distributors, Inc. Ayres, a long-time friend and supporter of Doyt Perry, the former BG football coach and administrator, and his wife Loretta, gave \$1,000 in their name to begin an athletic scholarship.

Apparently, Mr. Ayres wasn't alone in his appreciation of the Per-

rys. Though just two months have passed since Ayres announced his intention, contributions have already begun to pour in for the Perry Scholarship. In one case, Chuck Perry (no relation), vice-chairman and partner in Jack Nicklaus' Golden Bear, Inc., offered a gift matching dollar-for-dollar every contribution made by BGSU letterwinners up to \$5,000.

"The University is very pleased and excited about the Perry Scholarship," said Jack Gregory. "We feel it is symbolic of the growth and success of our department and of the athletic endowment program. We hope it will become a stepping stone to many more."

"We're making great strides in this area," Gregory added. "By encouraging others to contribute, I can see the light at the end of the tunnel which suggests that we may one day fully-endow all of our athletic scholarships."

Anyone wishing to contribute to the general athletic endowment program should contact the Falcon Club (372-2401) for further information.

Contributions to the Doyt and Loretta Perry Scholarship should be mailed to BGSU Foundation, c/o Carl Peschel, Miletti Alumni Center, Bowling Green, OH 43403. Checks should be addressed to BGSU Foundation / Doyt and Loretta Perry Scholarship.

James G. Ayres (center), one of the supporters of Bowling Green's athletic endowment fund, chats with Doyt Perry and his wife, Loretta, inside the stadium that bears Perry's name.

The 1959 National Champions

By Chris Sherk

If you've ever walked up or down the southwest stairs of Memorial Hall, you've probably seen the large, black and white photograph of the 1959 Falcon football team a number of times. Yet, if you were asked why that photo hangs there, would you have a response?

If not, then take a stroll down memory lane with the '59 Falcons, the team that gained national attention by going 9-0 and winning the United Press International small college championship over the likes of Delaware, Miami of Ohio and Ohio University.

It was the year of the "Wayward End," a new offense devised by Bowling Green's legendary head coach Doyt Perry. His offensive scheme featured the wing-back before that position (also called the flanker) became such an accepted part of the game.

It was the year that the Falcons showed "no poor football players" on their roster. Or at least that was the way Coach Perry described it. Names like Bob Colburn at quarterback, Jerry Dianiska at fullback, Bernie Casey and Chuck Comer at halfback, and Jerry Roberts and Tom Colaner at end became daily additions to the sports pages of the local Daily Sentinel-Tribune.

And it was the year that Coach Perry put his name along side some of the finest college football coaches in the field. His five-year record through 1959 was 37-4-4, a mark bettered only by Bud Wilkinson of Oklahoma. The man who later would say, "If I had my choice and could start over again, I would be a football coach," was one of the best. His teams were 77-10-5 in 10 years (1955-64), winning five Mid-American Conference titles and 31 of 32 non-league games.

Today, 25 years later, we take a moment to remember the players and coaches of "That Wonderful Team" of 1959. Some of them are in the stands today, as part of Varsity BG Day festivities. Others, like Dave McClain, head coach at Wisconsin, and Jack Harbaugh, head coach at Western Michigan, are watching football elsewhere.

Wherever they may be, it's highly unlikely that any of them have forgotten the season they amazed and delighted the thousands of Falcon fans who regularly jammed the stands at the old University Field, located where Jerome Library and the Education Building now stand on campus.

Though his new "wide-open" offense would play havoc with opponents' defenses that year, Coach Perry wasn't convinced that his 13 returning lettermen and 43 underclassmen were quite ready for the season when they opened against Marshall. However, whether it was intentional or not, Perry got his signals crossed, because the Falcons not only beat Marshall that day, they mauled them: 51-7.

Over the course of the season, Bowling Green knocked off Dayton (14-0), Western Michigan (34-0), Toledo (51-21) and Kent State (25-8). And all the while, the pollsters at UPI were taking more and more notice of this team of Ohioans and four out-of-staters. BG climbed from 14th in the rankings the first week to 11th to eighth and then sixth. . .

After a much-savored 33-16 win over Miami and Redskin Coach John Pont, the Falcons were setting their sites at the top. The polls showed Delaware in first, with BG moving up to third the following week.

That set the stage for the "Dream

Game" between Bowling Green and Delaware's Blue Hens. It was Dad's Day at BGSU, and the Falcons won one for their pops, 30-8, leaving no question that they were the top small college team in the land.

The 1959 season came to a close on November 21 with a 13-9 victory over Ohio University, sewing up BG's first-ever perfect season and its second MAC title under Coach Perry.

UPI proclaimed the Falcons small college champions that year, with two players—halfback Chuck Comer and tackle Bob Zimpfer—named to the All-America lists. Coach Perry was "Coach of the Year" in Ohio, and several of his players earned all-Ohio and all-MAC recognition.

Only one other Falcon team has reached as high a plateau, and that, of course, was the 1983-84 NCAA Division I champion hockey team. Still, there are a few men in the stands today who will be happy to tell you which BG team was the first to win a national championship. Their team photo hangs in Memorial Hall as a reminder to us all.

Falcon head coach Doyt Perry is carried off the field in old University Stadium during one of his 77 career victories.

CIMARRON '84 THIS ONE'S GOT THE TOUCH.

The Cadillac touch. It's Electronic Fuel Injection, matched by a tenacious Touring Suspension that comes to grips with the road.

It's leather-faced front bucket seats with lumbar support behind a leather-trimmed steering wheel that lets you know you're in control.

It's new grille and taillight styling. Laser-accurate quality fits. It's Cimarron '84...with something no other car in its class has. The Cadillac touch.

BEST OF ALL...IT'S A CADILLAC.

Let's Get It Together...Buckle Up.

Today's Band Program

Today the Falcon Marching Band presents its version of Campaign '84. We first salute England, the country that, however reluctantly, helped us get started, with the regal **Crown Imperial**. Although they are not running for office, the trumpets state their case with the flashy **Jack Miraculous**. The Falcon Marching Percussion section is next featured with thoughts of all those "junkets" for the winners, as they perform **Spain**. We focus our attention on the race with the political theme song, **Hey Look Me Over!** Our show closes urging everyone to vote, remembering that **We Are the Reason**.

Alma Mater

Alma Mater hear us,
As we praise thy name
Make us worthy sons and daughters
Adding to thy fame.

Time will treat you kindly
Years from now you'll be
Ever dearer in our hearts,
Our University.

From your halls of ivy
To the campus scene,
Chimes ring out with gladness
From our dear Bowling Green.

When all is just a mem'ry
Of the by-gone days,
Hear our hymn dear Alma Mater
As thy name we praise.

Promotions Update

By Jim Treeger
BGSU Director of Athletic Promotions

Falcon football has really become a group tradition for many fans in attendance this afternoon. It's easy to site examples of those groups who find a Saturday in Bowling Green to be something special . . . today is our 10th Varsity BG Day, the 2nd Classified Staff Day, the 2nd Greek Unity Day, the 2nd Kroger Day and the 5th OI Packaging Group Tailgate Party! **Group outings** at BG continue to be a great bargain and I encourage you to call our ticket office to inquire about our special group outing package.

Although many Falcon Fans are aware of this, I point it out one more time . . . we've made Falcon Football tickets easy to get! Starting with our new **Ice Aren Ticket Outlet**, our locations include: The Falcon House in BG, Bill's Men's & Boy's Wear in Fostoria, both Huntington Bank Branches in Perrysburg and the Memorial Hall Ticket Office. Don't forget the Ice Arena location! It's easy to get to and parking is never a problem. The office is open from 12-4 daily.

Looking for a birthday gift? How about an early Christmas purchase? Try a **Falcon souvenir!** BGSU items are on sale at locations on both sides of the stadium. Show off the Orange and Brown where you live.

Coming next home game . . . **BRONCO BUSTERS-HOMECOMING '84**. A full day of planned fun, pagentry and great football on October 13 when the Falcons host the Western Michigan Broncos in the traditional Homecoming game. The campus welcomes all alumni, friends and current students to pre-game rallies located on the intramural fields south-west of the stadium. Good seats are still available at all ticket locations or call **372-2762** and use **Master-Card** or **Visa**.

Only 13 more days until **Falcon Hockey** opens defense of their **NATIONAL CHAMPIONSHIP!** Contact the ticket office for season and individual game tickets quickly or you may not be able to see the icers this year. Last year, 16 of 18 regular season home games were sold out.

New faces in the **Falcon Basketball** program! Rookies Robinson and Tyler join veterans Miller, Booker, Taylor etc., for another season of hoop thrills. The season opens with an exhibition game on November 7th and features 14 home games beginning on Nov. 24. Season and individual game tickets go on sale beginning October 8th.

Souvenir Falcon **drink cups** are on sale at all concession stands. These cups are dishwasher safe and will look great in your home. Don't leave the stadium without one.

THE FALCONS ARE YOUR TEAM - SEE THEM AGAIN ON OCTOBER 13 vs. WESTERN MICHIGAN

Varsity BG Club Says GO FALCONS!

ABOUT THE VARSITY BG CLUB

The Varsity BG Club is an exclusive organization open only to former Bowling Green State University varsity letterwinners, who for \$10 per year can help operate the club and support BGSU athletics at the same time. Four hundred former Falcon letterwinners joined the Varsity BG Club last year, and the number is expected to climb even higher during the 1984-85 membership year. Again this year, the Varsity BG Club is offering a lifetime membership for \$100; no other dues will ever be required. Lifetime memberships for those 65 and older are only \$50.

The Varsity BG Club undertakes three major projects each year, the first of which occurs each spring with the annual Recognition Dinner and Program. Honored that night are the annual winners of the College Coach of the Year, High School Coach of the Year, and the Special Recognition Award winner. Last year, Dave McClain of Wisconsin, Mike Bartley of Shaker Heights, OH, and George Baldwin of Kutztown, PA, were honored.

Each July, the Varsity BG Club holds the annual Doyt Perry Golf Outing in Bowling Green and each fall, the Club celebrates Varsity BG Day at a Falcon football game. This year, the Falcons meet Eastern Michigan on September 29 in the annual Varsity BG Day game.

MEMBERSHIP BENEFITS

All active members of the Varsity BG Club will receive:

- Membership in an exclusive organization open only to BGSU varsity letterwinners.
- Special activities and programs, such as the ones described above.
- Subscription to the quarterly newsletter, and a Varsity BG Club membership card that entitles the holder to one free reserved bench seat ticket for each of BGSU's five home football games in 1984. Just show your 1984-85 membership card at the east side ticket booth on game day for free admission.
- A 10 percent discount on BGSU football, basketball and hockey season tickets.
- Personal satisfaction in contributing to BGSU athletics through your continued involvement.

WFOB Radio

Dave Carr has been the Voice of the Falcons for the past 21 years, broadcasting BGSU football and basketball games over the airwaves of WFOB. He has already outlasted two BGSU football coaches since he started broadcasting in 1964. A native of Fostoria, Dave broadcasts several sports reports daily and also hosts a morning call-in show with Mel Murray.

Here's a closer look at the man behind the mike.

Occupation: Sports Director—WFOB Radio, Fostoria and Bowling Green.

Age: 50.

Birthplace: Fostoria, Ohio.

Current Home: Bowling Green, Ohio.

Marital Status: Married to the former Nadine L. Matthews. Three children—Keith of Bowling Green, Jeff of Wichita, Kansas and Kathy of Bowling Green.

First Job: Radio Announcer at WFOB - FM.

Favorite Movies: "The Day the Earth Stood Still."

Favorite TV Show: You've got to be kidding.

Favorite Books: Robert Ludlum mysteries.

Favorite Junk Food: All kinds of Ice Cream, especially Mint Chocolate Chip.

Favorite Food: There isn't enough room here for all my favorites.

Favorite Childhood Memory: Christmas mornings.

People who knew me in school said I was: Too fast a driver. "Dangerous Dave" was my nickname.

I try very hard to hide the fact that: I'm really an emotional person.

If there's one thing I can't stand in people it is: Self-righteousness.

If there's one thing I could change about myself, it would be: I wouldn't procrastinate. (I only finished this today.)

My friends like me because: I'm friendly and honest with them, and they always know where they stand with me.

Behind my back, they say: I wish he wouldn't always give me all the details.

Major accomplishments: Service to my community through my business and council dealings.

Goals in life: Helping to make this a better world in which to live.

If there's one thing I've learned in life, it is: Most people are basically good. It's the others I worry about.

Best advice my mother gave me: Be true to yourself.

Every New Year's Eve I resolve: Not to make so many stupid resolutions.

Best time in my life: Watching my children grow up.

Worst time in my life: When my wife and son each had medical problems.

Personal hero: No one single person. I admire many different people.

A perfect evening to me is: A dinner at a fine restaurant, and then attending a show, play or sporting event.

My favorite way to relax is: Watching a football or basketball game.

Best idea I ever had: To move to Bowling Green.

Worst idea I ever had: Deciding to trim my own trees.

If I couldn't do what I do now, I'd be: Independantly wealthy.

If I had 30 minutes to talk with anyone in history: I would like to talk with Thomas Jefferson. I believe he was the one truly brilliant man at the time of the founding of our great country. He had more outstanding ideas about life than anyone I can think of.

The Jefferson Trophy

The Mid-American Conference's Most Valuable Player annually receives the Jefferson Trophy, an award conceived by the Downtown Athletic Club of Toledo.

The award was first presented in 1982 at a banquet in Toledo. The trophy, a glass sculpture of a football with the MAC seal etched in it, is on permanent display at the College Football Hall of Fame in Kings Island, Ohio.

Ray Bentley of Central Michigan won the inaugural Jefferson Trophy in 1982, and Tim Tyrrell, the quarterback of league champion Northern Illinois, won the award in 1983.

The winner of the award is selected from among 10 nominees—one from each MAC school—by a panel of the 10 head football coaches and 20 media representatives. The winner is kept secret until the actual announcement at the banquet.

Guest speakers for the first two banquets have been former Pittsburgh Steeler Rocky Bleier and Michigan football coach Bo Schembechler. The 1983 banquet drew a sell-out crowd of more than 500 people.

The third annual Jefferson Trophy banquet will be held at the Downtown Toledo Athletic Club on Tuesday, December 4, 1984.

The Jefferson Trophy serves a three-fold purpose, according to Bill Buehrer, the founder of the award. "First, we want to enhance the visibility of the individual nominees. Second, we wish to add to the prestige and public awareness of the Mid-American Conference. And third, we hope to foster a deepened feeling of fraternity and league identity among coaches, players and administrators by bringing them together for this program."

The first two Jefferson Trophy recipients were very deserving of this honor. Bentley was the MAC Defensive Player of the Year in 1982, and the very next spring was a standour linebacker in helping the Michigan Panthers to the United States Football League Championship.

Tyrrell was the inspirational leader of the Northern Illinois' Huskies last year, guiding them to their first MAC football championship, and to a victory over Cal State-Fullerton in California Bowl III.

FACES IN THE CROWD

Lindy Bastel is in her second year as director of the BGSU Forrest Creason Golf Course. She also doubles as an assistant coach for both the men's and women's golf teams at BGSU, a role she's enjoyed for the last three years.

This is her sixth year as a member of the staff at Creason Golf Course. During that time, she has served as pro shop manager, instructor and golf club repair person. Last weekend, she became the wife of Buddy Powers, an assistant coach for the NCAA champion ice hockey team.

Pat Brett will be serving her seventh season in charge of the BGSU women's track and field team this spring. Her experience has led to the Falcons' reputation as one of the premier teams in the Mid-American Conference, year in and year out.

During the last three years, Brett has guided the Falcons to one outdoor MAC championship (in 1981) and a first-place finish indoors. Voted the MAC Coach of the Year in 1981, Brett is an authority on field hockey, a sport she once coached at BGSU.

Bill Jones is one of the most valuable members of the Falcon athletic staff. Now in his 10th year in charge of the Bowling Green sports medicine staff, Jones is the head trainer for both football and hockey.

He handles a staff of more than 20 men and women trainers, who take pride in their care for the Bowling Green athletes. Jones, a BGSU graduate who spent three years as head athletic trainer at Ashland College, is a noted clinician in sports medicine.

Dr. Charles Simpson is in his 11th season as head coach of the BGSU women's gymnastics team. One of the most successful coaches in the sport on a collegiate level, he has compiled a record of 98 dual meet wins, 29 losses and a tie, giving him a lofty winning percentage of .770.

Respected by the athletes he instructs, Simpson has guided two Falcon teams to Mid-American Conference Championships and two others to runner-up finishes. His teams have recorded winning marks all 10 seasons.

New Ticket Outlets

By Jolene Aubel

Getting Falcon football tickets this season will be even easier with the recent opening of a new ticket outlet in the Bowling Green State University Ice Arena on Mercer Road.

Along with football tickets, both hockey and basketball tickets can be purchased at the Ice Arena Ticket Office, located in the hallway between the main sheet of ice and the curling ice. Should the need arise, hockey and basketball playoff tickets would be on sale at the Ice Arena, as well as Memorial Hall. However, student All-Sports Passes may only be exchanged at the Memorial Hall Ticket Office.

The Ice Arena Ticket Office is open from noon until 4 p.m., Monday through Friday. Parking is free and ample outside the Ice Arena.

Memorial Hall Ticket Office hours will remain unchanged. The office will be open from 9 a.m. until 5 p.m., Monday through Friday. It will also be open from 9 a.m. until 11 a.m. mornings of home football games.

The BGSU Ice Arena and Memorial Hall Ticket Offices are just two of six ticket outlets open daily for Bowling Green football, hockey and basketball tickets. The others are the Falcon House sporting good store, 140 E. Wooster in Bowling Green; Bill's Men's and Boy's Wear in Fostoria; and both Perrysburg locations of the Huntington Bank.

California Bowl Awaits MAC Champion

The champions of the Mid-American Conference and the Pacific Coast Athletic Association will battle in Fresno State University's 30,000-seat Bulldog Stadium when California Bowl IV kicks off on Saturday, Dec. 15.

The Cal Bowl, one of the NCAA's youngest bowl games and a benefit for Fresno's Valley Children's Hospitals, has developed a flair for the dramatic in its three year history. In the inaugural bowl game in 1981, Tony Lee's 41-yard field goal with just seconds left in the contest lifted Toledo to a frantic, 27-25 victory over San Jose State. Cal Bowl II saw Fresno State, playing before a home crowd of more than 30,000, overcome a 21-point deficit in the final 12 minutes to edge Bowling Green, 29-28. Last year, MAC champion Northern Illinois' third quarter touchdown proved to be the difference in a 20-13 Huskies' victory over PCAA titlist Fullerton State.

Mizlou and ESPN, which have televised the last three California Bowls, will again televise this year's event. In excess of 5 million viewers saw last year's contest. Cal Bowl IV will kick off at 1 p.m. Pacific Standard Time.

The game itself caps a spectacular week of cultural and sporting activities that are designed to include people from all over the San Joaquin Valley as well as the area served by the NCAA and the MAC. Fans are in for "Football 'N More in 84."

One of the many highlights of bowl week is the visit by the football players to Valley Children's Hospital, which serves as a charitable beneficiary for the game. Last year's donation to the hospital was \$20,000, raising the three-year donation to nearly \$40,000.

Sponsored by the Greater San Joaquin Valley Sports Association, the California Bowl was born on April 24, 1979, when the NCAA Extra Events Committee granted its sanctioning. The "closed end" agreement between the PCAA and MAC is one of the only two such bowl pacts locking in both participants from specific conferences. The two leagues have shared in over \$700,000 in gate receipts generated from the three previous bowl games.

California Bowl II Bowling Green vs. Fresno State Fresno, California

Tickets to California Bowl IV are priced at \$19, \$16, \$13, \$11 and \$9 with \$1 for each ticket an optional gift going directly to Valley Children's Hospital. A junior ticket, for people 18 years of age and under, is available for just \$5. Tickets are presently on sale to the public through mail order. Enclose check or money order payable to: California Bowl, 4974 E. Clinton, Suite 125, Fresno, CA 93727.

PCAA football playing schools challenging for a bid to the Cal Bowl are Fullerton State, Cal State Long Beach, Fresno State, San Jose State, Nevada-Las Vegas, Pacific, Utah State and New Mexico State.

Mid-American Conference teams vying for a trip to Cal Bowl IV are Ball State, Bowling Green, Central Michigan, Eastern Michigan, Kent State, Miami (Ohio), Northern Illinois, Ohio, Toledo and Western Michigan.
